Mays-Vaughn Mercantile Co. - - Elba, Alabama.

One of our local boys told us the ther day that he was going to the seashore this summer to look around for a wife, because on the bathing beach he wouldn't have to take her at her face value. However, we'd like to have you give our used cars a tryout purely on their face value and then enjoy with glee the remarkable service these used cars will give you. Ideal and a necessity for the family health. Special bargains this week.
